SOURCE

25X1A

1. The DREWITZ (O 52/A 68) airfield had been evacuated.

3 August 1949

2. The DREWITZ (O 52/A 68) airfield was not occupied.

16 August 1949

3. No soldiers or aircraft were stationed at the DREWITZ airfield. According to local residents, aircraft allegedly took off from the airfield and released bombs over the TAUBER (O 52/A 58) training grounds during the past two months.

25X1A [REDACTED] Comment: The DREWITZ airfield is not permanently occupied by an air unit. It is occasionally used as a training field by ground attack units. A ground unit is not stationed there.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
